Sycamore film series; - *The existence of God. - Who is Jesus?*

Jesus came to bring life to the world. His love, teaching &
miracles transformed the lives of those who knew him. But
why did he have to die on the cross? What does it mean to
say that he rose from the dead? What difference does it make
to our lives today? This Sycamore film explores the very
heart of Christianity; - the life, death & resurrection of Jesus
Christ. All welcome - you don't need to have been at any
previous meetings.
