New Lectionary after many years in preparation the new book of the Scripture readings used at Mass and the celebration of the Sacraments will be **introduced at the beginning of Advent this year**. The new Lectionary is intended to make the Biblical translations more faithful to the original Hebrew & Greek and will be in 4 volumes to make it more user friendly. We are required to buy 2 sets (Hornsea & Beverley) at a total cost of £1400. If anyone would like to contribute, it is possible to donate £175 which would cover the cost of a single volume. The volume will be inscribed with the name(s) of the benefactor(s). Ideally eight benefactors are needed to fund this. It is a wonderful opportunity for an individual or a family to give a tangible legacy for many years to come. If you would like to help please speak to Canon Grant.
