Preparation for the Sacraments of Reconciliation & Holy Communion next meeting 1st March. I think we need to have a special meeting for the parents involved – I used to worry about the children’s level of understanding but I wonder if some of our parents “get it” at all.

There was a programme on BBC 1 recently called First Communion (still available on i player) which highlighted the paucity of understanding of some adults about the Holy Eucharist.

Why do parents want their children to have this “big day” is it Faith or FOMO?
