Assisted Suicide Bill will be introduced into Parliament this
coming Wednesday (16th October). We have highlighted this
in the parish newsletter, website and Facebook page as well
as promoting the recent “Finding Ivy” lecture & discussion at
St Mary’s Church hall, as well as Liz Carr’s documentary
“Better off Dead”. righttolife.org.uk/betteroffdead

The debate will continue for several months in Parliament
and society before there is a definitive vote. This highlights
crucial questions about the dignity of human life and the care
and protection afforded by our society to every person. Don’t
sit on the sidelines! Please write to the M.P., speak about this
with the people you know and of course, Pray.

Society needs to be careful what it wishes for; the right to die
can become the duty to die; being forgetful of God belittles
our humanity.
