Pope Leo's recent encyclical letter. We have heard much
in the media recently about **Artificial intelligence** and how
it is the most significant development in human history since
the onset of the nuclear age.

Pope Leo's letter ***Magnifica Humanitas – on safeguarding
the Human person in the time of Artificial Intelligence***
has been well received by many. Perhaps we should try to
read it. For those who use laptops or tablets it is available
free on the Vatican website or a printed version is published
by the Catholic Truth Society price £6.95.
